CMF 14 Marital Status

(Slide 1 of 2)

- Data is not compared to the Army statistics.
- Divorced Soldiers count only includes Soldiers who are currently divorced; if they have re-married after divorce, they count as married.
- Soldiers who have gotten divorced, re-married, and divorced again only count as 1 divorce.
- There are many contributing factors to marital status; it is difficult to compare officers, warrant officers, and enlisted personnel due to personnel management, career progression, and socio-economic conditions.
- All data is a snapshot in time as of 24 Sep 15.
